

# Brandon Seni Senior Associate

## **PROFESSIONAL SUMMARY**

Mr. Seni is a Senior Associate at Areté Capital Partners where he engages in both sponsor and fiduciary activities. Mr. Seni has experience working in diversified industries helping clients with mergers and acquisitions, debt capital markets, commercial banking, and corporate strategy.

Prior to joining Arete, Brandon was an Analyst in J.P. Morgan's Leveraged Finance and Corporate Client Banking group where he advised mid to large cap Corporate and Financial Sponsor clients on origination, syndication, and execution of high yield bonds, leveraged loans, and pro rata transactions for M&A, restructurings, and refinancing purposes. Brandon has experience conducting extensive due diligence on industry trends, competitive landscapes, evaluating credit worthiness, reviewing legal documentation, creating Ratings Agency Presentations, Information Memoranda, Lender Presentations, and more.

Prior to J.P. Morgan, Brandon earned his Master of Business Administration from the Kelley School of Business at Indiana University. While in business school, Brandon served as an Associate Instructor for Learning Strategies for Accounting, a Quantitative Analyst at Turbine Analytics in Warsaw, Mazowieckie, Poland, a Consultant to TASK Trailers, and an Account Strategist intern at Google.

As an Associate Instructor, Brandon taught over 100 students the fundamentals of accounting and how to succeed in more advanced accounting curriculum. As a Quantitative Analyst he created excel specification models to update internal systems on commodities contracts as well as test and report inconsistencies from interest rate sensitivity models using advanced programming languages. As a consultant, he advised a Kansas City startup on a business development plan to help scale the business and secure partnerships with large UTV distributors. At Google, Brandon managed a book of almost forty clients with half a billiondollar monthly ad budget where he advised and implemented Google Smart Shopping solutions and improved the average click-through-rate for his clients by an average of 62 percent.

Brandon resides in Chicago, and when he is not working, he is passionate about cycling, running, and exploring National Parks. One of his greatest achievements is cycling across America where he started south of Tucson, Arizona and finished north of Helena, Montana in just 21 days.
