

Julie Hassaine

Senior Associate

PROFESSIONAL SUMMARY

Julie Hassaine is a Senior Associate at The Areté Group, engaged in both sponsor and fiduciary activities. Julie brings over seven years of international investment banking and consulting experience from top-tier firms. Julie has proven leadership skills, managed high-performing teams, and executed significant M&A transactions for large institutional clients. With a critical thinking mindset, Julie's expertise in investment analysis, financial modeling, and strategic advisory has delivered successful results for clients throughout her career.

Before joining Areté, Julie was a pivotal member of the FIG M&A team at Evercore in New York and London. During her tenure she excelled in various roles, starting as an intern and rising to a Senior Associate. Her responsibilities included advising on global transactions, leading teams, and contributing to new client mandates. Through her experience at Evercore, Julie honed comprehensive skills in financial analysis, deal strategy, and client management.

Prior to Evercore, Julie graduated from ESCP Europe Business School with an Advanced MS in Finance, achieving First-Class Honors. She also holds an MS in Strategy and International Management and a BS in Economics and Management from the University of Paris I Pantheon-Sorbonne.

Outside of her professional endeavors, Julie is multilingual and enjoys various activities. She is fluent in French and English, and proficient in Creole and Spanish. Her interests include combat sports, cycling, skiing, and mountain hiking. Julie's diverse interests and experiences contribute to her dynamic personality and unique perspective.
