

Dan Finnegan
Vice President

PROFESSIONAL SUMMARY

Mr. Finnegan is a Vice President at Areté Capital Partners, bringing more than five years of experience in restructuring, interim management, corporate finance, and mergers and acquisitions. He plays a key role in leading complex turnaround and performance improvement engagements for middle-market companies, partnering closely with management teams, boards, and investors to stabilize operations, improve liquidity, and drive lasting enterprise value.

At Areté, Mr. Finnegan has advised clients across a broad range of industries including consumer products, manufacturing, and entertainment delivering actionable solutions in liquidity management, FP&A, operational restructuring, M&A execution, and strategic transformation. His experience spans both in-court and out-of-court situations, where he has served in interim management and financial advisory capacities to guide companies through periods of significant change and complexity.

Prior to joining Areté, Mr. Finnegan was an Associate in the Restructuring group at Teneo, where he supported restructurings and transactions for companies navigating complex operational challenges. Earlier in his career, he was part of the Analytics group at Charles River Associates, where he supported pre-IPO and SPAC due diligence efforts for leading investment banks.

Mr. Finnegan holds a Bachelor of Science in Mathematics and Economics from Northwestern University.
